Dear Serra Club Members,

The Sisters who attended the March 7 CMSWR Regional Workshop expressed so much gratitude for the many gifts received. Our speaker provided us with exceptionally rich and formative content in her talks. The day also gave us a beautiful opportunity to connect with Sisters from other communities, and the time for prayer blessed the Sisters as well. Overall, the day was enjoyable and led us deeper into the Mysteries of the Faith and our life as women religious. May the fruits of the workshop continue to grow and nourish the whole Church. Thank you for making this gathering possible. God bless you, and be assured of our prayers for you!

In Jesus and Mary,

The Sisters of CMSWR

The Lord beautifully blessed the day.

Thank you for manifesting His providence.
